AND FUNERAL DIRECTORS AND OSCAR E. FRIDAY

Friday" (the "Settlement Agreement") to resolve the question of whether Licensee's funeral director and embalmer licenses should be subject to discipline and, if so, to agree on the appropriate level of discipline to impose on Licensee's funeral director and embalmer licenses.

Pursuant to the terms of Section 536.060 RSMo¹, the parties hereto waive the right to a hearing by the Administrative Hearing Commission and the right to a disciplinary hearing before the Board per Section 621.110, RSMo, and stipulate and agree that a final disposition of this matter may be effectuated as described below.

Being aware of these rights provided him by operation of law, Licensee knowingly and

voluntarily waives each and every one of these rights and freely enters into this Settlement Agreement and agrees to abide by the terms of this document, as they pertain to him.

Licensee acknowledges that he has received a copy of the investigative report and other documents relied upon by the Board in determining there is cause for discipline, along with citations to law and/or regulations the Board believes were violated and that he has been advised of his right to consult with private legal counsel, at his expense, to assist him with this matter. For the purpose of settling this dispute, Licensee stipulates that the factual allegations contained in this Settlement Agreement are true and stipulates with the Board that Licensee's license is subject to disciplinary action by the Board in accordance with the provisions of Chapters 324, 333 and 621, RSMo.

Relevant Statutes and Regulations

1. Section 324.010, RSMo, requires that professional licenses, such as funeral director and embalmer licenses be suspended if the licensee fails to pay his taxes due to the State of Missouri and states:

All governmental entities issuing professional licenses, certificates, registrations, or permits pursuant to sections 209.319 to 209.339, sections 214.270 to 214.516, sections 256.010 to 256.453, section 375.014, sections 436.005 to 436.071, and chapter 317 and chapters 324 to 346 shall provide the director of revenue with the name and Social Security number of each applicant for licensure with or licensee of such entities within one month of the date the application is filed or at least one month prior to the anticipated renewal of a licensee's license. If such licensee is delinquent on any state taxes or has failed to file state income tax returns in the last three years, the director shall then send notice to each such entity and licensee. In the case of such delinquency or failure to file, the licensee's license shall be suspended within ninety days after notice of such delinquency or failure to file, unless the director of revenue verifies that such delinquency or failure has been remedied or arrangements have been made to achieve such remedy. The director of revenue shall, within ten business days of notification to the governmental entity issuing the

professional license that the delinquency has been remedied or arrangements have been made to remedy such delinquency, send written notification to the licensee that the delinquency has been remedied. Tax liability paid in protest or reasonably founded disputes with such liability shall be considered paid for the purposes of this section.

2. Section 324.042, RSMo, authorizes the Board to impose additional discipline if it finds a term of the probation imposed on a license has been violated and states:

Any board, commission, or committee within the division of professional registration may impose additional discipline when it finds after hearing that a licensee, registrant, or permittee has violated any disciplinary terms previously imposed or agreed to pursuant to settlement. The board, commission, or committee may impose as additional discipline any discipline it would be authorized to impose in an initial disciplinary hearing.

3. Section 621.045.4, RSMo, authorizes the Board to enter into settlement agreements and states:

4. Notwithstanding any other provision of this section to the contrary, after August 28, 1995, in order to encourage settlement of disputes between any agency described in subsection 1 or 2 of this section and its licensees, any such agency shall:

(1) Provide the licensee with a written description of the specific conduct for which discipline is sought and a citation to the law and rules allegedly violated, together with copies of any documents which are the basis thereof and the agency's initial settlement offer, or file a contested case against the licensee;

(2) If no contested case has been filed against the licensee, allow the licensee at least sixty days, from the date of mailing, to consider the agency's initial settlement offer and to contact the agency to discuss the terms of such settlement offer;

(3) If no contested case has been filed against the licensee, advise the licensee that the licensee may, either at the time the settlement agreement is signed by all parties, or within fifteen days thereafter, submit the agreement to the administrative hearing commission for determination that the facts agreed to by the parties to the settlement constitute grounds for denying or disciplining the license of the licensee; and

(4) In any contact under this subsection by the agency or its counsel with a licensee who is not represented by counsel, advise the licensee that the licensee has the right to consult an attorney at the licensee's own expense.

4. Section 333.031, RSMo, requires a license to engage in the practice of either an embalmer or a funeral director and states:

1. No person shall engage in the practice of embalming in this state unless he has a license as required by this chapter.

2. No person shall engage in the practice of funeral directing unless he has a license issued under this chapter nor shall any person use in connection with his name or business any of the words "undertaker", "mortician", "funeral home", "funeral parlor", "funeral chapel", "funeral consultant", "funeral director" or other title implying that he is in the business defined as funeral directing herein, unless he or the individual having control, supervision or management of his business is duly licensed to practice funeral directing in this state.

5. Section 333.330, RSMo, authorizes the Board to seek discipline against funeral directors and embalmers and states, in relevant portion:

2. The board may cause a complaint to be filed with the administrative hearing commission as provided by chapter 621 against any holder of any certificate of registration or authority, permit, or license required by this chapter, or any person who has failed to renew or has surrendered his or her certificate of registration or authority, permit, or license for any one or any combination of the following causes:

20. Upon the expiration of the Disciplinary Period and successful completion of the probation, Licensee's licenses shall be fully restored if all other requirements of the law have been satisfied; provided however, that in the event the Board determines that Licensee has violated any term or condition of this Settlement Agreement, the Board may, in its discretion,

after an evidentiary hearing, vacate and set aside the discipline imposed herein and may impose additional probation, suspend, revoke, or otherwise lawfully discipline Licensee's funeral director and/or embalmer licenses.

21. The Board shall enter no order imposing further discipline on Licensee's funeral director and/or embalmer licenses without notice and an opportunity for hearing before the Board in accordance with the provisions of Chapter 536, RSMo.

22. If the Board determines that Licensee has violated a term or condition of this Settlement Agreement, and that violation would also be actionable in a proceeding before the Administrative Hearing Commission or in a circuit court, the Board may elect to pursue any lawful remedies or procedures afforded to it and is not bound by this Order in its determination of appropriate legal actions concerning such violation(s).

23. If any alleged violation of this Settlement Agreement occurs during the Disciplinary Period, the Board may choose to conduct a hearing on the alleged violation either during the Disciplinary Period, or as soon thereafter as a hearing can be held, to determine whether a violation of the terms and conditions of probation occurred and, if so, may impose further discipline on the funeral director and/or embalmer licenses of Licensee. The Board has continuing jurisdiction to hold a hearing determine if a violation of the terms and conditions of probation occurred.

24. Licensee, together with his heirs and assigns and his attorney(s), does hereby waive, release, acquit and forever discharge the Board, its respective members and any of its employees, agents or attorneys, including any former Board members, employees, agents and attorneys, of, or from, any liability, claim, actions, causes of action, fees, costs and expenses and compensation, including, but not limited to, any claims for attorney's fees and expenses,

including any claims pursuant to Section 536.087 RSMo, or any claim arising under 42 U.S.C. § 1983, which may be based upon, arise out of, or relate to any of the matters raised in this case, its settlement or from the negotiation or execution of its settlement. Licensee acknowledges that this paragraph is severable from the remaining portions of this Settlement Agreement in that it survives in perpetuity even in the event that any court of law deems this Settlement Agreement or any portion thereof void or unenforceable.

25. Each party agrees to pay all their own expenses and fees incurred as a result of this matter or any ensuing litigation.

26. Licensee understands that he may, either at the time the Settlement Agreement is signed by all parties or within fifteen (15) days thereafter, submit the Settlement Agreement to the Administrative Hearing Commission for determination that the facts agreed to by the parties constitute grounds for disciplining Licensee's license. If Licensee desires the Administrative Hearing Commission to review this Settlement Agreement, Licensee may submit his request to: Administrative Hearing Commission, Truman State Office Building, P. O. Box 1557, Jefferson City, Missouri 65102.

27. If Licensee requests review, this Settlement Agreement shall become effective on the date the Administrative Hearing Commission issues its order finding that the Settlement Agreement sets forth cause for disciplining Licensee's license. If Licensee does not request review by the Administrative Hearing Commission, the Settlement Agreement goes in to effect 15 days after the document is signed by the Executive Director of the Board.

28. This Order of the Board shall be maintained as an open and public record of the Board as provided in Chapters 333, 610 and 324, RSMo.
